12/9/2021 10:42 AM PT	Good morning Team HK- Please be extra cautious today as you are on road and delivering. Watch your step and be careful getting in and out of the van. Being that this is the first real rain it will cause the roads, pavement, grass and steps to be slippery so please be careful. As always, be aware of your surroundings at all times and use your 3 points to get in and out of the vehicle to avoid slips and falls. (I have attached some helpful reminders for you) Also, very important to keep your distance between your vehicle and the next vehicle and no speeding! Your safety is our first concern so please let us know if we can help in any way. We are here to support! Let's have a great day! HK Management	(760) 590-5980	Success		Not Sent

We are in the home stretch of peak and I couldn't be more proud of everything this team has accomplished this peak season. That being said...our work is not done yet. Tomorrow is the most important day of the year as this is the final day to deliver everyone's Christmas presents and follow through on our promise to the customer and Amazon. VERY IMPORTANT....If you are on schedule for tomorrow (Christmas EVE) we are expecting you to be there. If you are not normally scheduled on Friday but would like to volunteer please text Dontae ASAP (even if you have already signed up or told him). We need all hands on deck tomorrow! If you have any questions please let us know.

Also, Please make sure that if you work today you pick up your Christmas card at the desk when you RTS. If you do not work today, I will have your card tomorrow! Let's be safe out there and finish off strong!

5/2/2022 4:21 PM PT	Please Read this message as it contains important information Good afternoon Team HK- 1. Fueling up your vans- Please make sure you are ONLY using regular gas when you are fueling up. Our contract does NOT cover premium or super gas. 2. Point System- If you receive points for any reason, please use this as a learning opportunity. These points are not disputable and will not be removed by any member of our management team. They do however fall off over time so please let us know if you have questions. 3. Heat/Dehydration- It is about to get very hot and we need to make sure we are all taking care of our bodies. If you need help with time management as far as making sure there is enough time to deliver and take a 30 minute lunch please let the management team know so we can help you out. This is not an option you MUST take a lunch break. Failure to do so will lead in consequences and lying on your time card could lead to termination. 5/12/2022 4:16 PM PT	Good afternoon HK- It was great to see a lot of you in stand up this morning. For those that were not in stand up, please note that you will notice a change in management upon your return. Although HK takes privacy very serious, we don't mind sharing that we will not tolerate lack of integrity, theft of time, merchandise, gas and/or lack of performance or safety. No Associate of HK is above recourse for these actions. HK was built on integrity and will continue to operate in this fashion. This does not need to be a distraction, but rather a lesson to all to be the best version of yourself every day. Although we will not discuss the details of the situation please feel free to reach out if you have questions about the company or your own performance. We look forward to growing from this experience and eventually opening additional opportunities. Thank you and have a great night! Tamara	(760) 590-5980	Success		Not Sent

8/3/2022 4:29 PM PT	Hello team, This message is to follow up on what we talked about this morning. Starting tomorrow 8/4/22 we will have the team lining up to sign out vans. We need more organization in the morning for a smoother process. Nobody will be able to hold a spot for anyone else or grab a van for anyone else. First come first serve and one person at the wagon at a time. also.... we will no longer be switching equipment around. For example, everything for van 1 will be in van 1's pouch. extras will be assigned on a first come first serve basis as well. Thank you for all the hard work, let's go HK! 8/6/2022 12:18 PM PT	Hello my good people, I first want to say great job out there today team keep up the good work! I'm writing this message because we had a few mishaps this morning. Nobody at any time should swap keys from pouch to pouch. We had a few keys in the wrong pouch and I believe it happened because vans were parked in the wrong place. Just because van 35 was parked in 37's parking space does not mean van 35 is now 37. Long story short just please never swap keys, and if someone is in your parking space when you return let us know so points can be issued. One more thing, when we are loading up and the Amazon managers yell out for us to return to our vans, we need to do exactly that. "Can I please have all drivers return to their vehicles," does not mean run to grab water. I also seen a driver take a whole case of waters! Let's be courteous and represent each other the right way. 10/4/2022 5:10 PM PT	Team HK- Just a couple of quick reminders for you all...PLEASE READ 1. Your safety is very important to us! In an effort to keep you safe from slips trips and falls it is MANDATORY that every driver wear non slip shoes daily. It is important that you use the "3 point system" to enter/ exit your van and avoid grass areas as much as possible. 2. It is every drivers responsibility to fuel up prior to beginning your route. If there are issues with your card or the station please contact dispatch right away as you are only given a limited number of swipes before you are locked out. One time exceptions have been cut off by Amazon and are no longer granted for any reason so please plan accordingly. We are unable to reimburse for gas so please set yourself up for success. 10/26/2022 12:16 PM PT	IMPORTANT MESSAGE FROM HK LOGISTICS As a reminder we are gearing up for the busiest time of the year and we will NOT be approving any time off requests for weeks 50 or 51 (December 11th-December 24th) so please plan accordingly. As we ramp up it is also important to note that we will not have the capacity to rescue on a regular basis as we have recently been doing so each driver needs to be able to deliver their own route safely and in a timely manner. It is important to note that all drivers will be evaluated post peak on attendance, attitude, performance and safety. Please make sure you are always wearing your non slip shoes, full uniform and aware of your surroundings! We will be closed on Christmas Day and according to Amazon....should no longer be delivering down the hill after this week! Thank you for representing Team HK and Amazon. You are appreciated!
